READY

You order -
we deliver, pick up and clean.

Enjoy a seamless experience
across all food and drink
stands with a unified system
and simplify reusables for
everyone.

Less waste,
more impact

Take the next step with
Vytal, manage waste at
your festival in an
environmentally friendly
manner and make it easy
for food vendors to comply
with environmental policies.

Flexible
handout options

Deposit, digital or
fully integrated,
-you decide.
With our hybrid-
model, we have the
solution that fits to
your reuse case.

REUSE STATIONS

Our digital solutions enable attendees to return containers at any designated spot, rather than specific stands, offering a flexible and convenient process for visitors and vendors.

Whether manual or fully automated reuse stations, we have the right solution for your Festival.

LOOKING FOR MORE—OR LESS?

Be ready with any container you need or lift your brand to new heights with smart marketing.

Unlock new engagement and marketing opportunities.

MORE THAN REUSE

The QR-code on the container is a gateway to marketing heaven.

It can be used to offer raffles, discounts, lotteries, display ingredients or any other information... you name it!

Together we make smart marketing possible, on rental or white label containers.
